

California's state government is broken. There are no checks and balances in our Legislature, and it is clear that one-party rule has been a disaster for our citizens.

California is unaffordable for too many families. Our taxes are the highest in the nation, the gas tax has skyrocketed, and our small business climate is ranked one of the worst in the country. And now Democrats are proposing a new tax on every mile you drive.

After spending billions of taxpayer dollars, the results do not match the promises. From housing and public safety to our aging infrastructure, this state is failing to deliver. Despite record spending on education, too many students are still unprepared to succeed in college or the workforce.

Fraud and abuse of your tax dollars at the hands of the Sacramento Democrats and the Governor is unacceptable, and I will continue to fight to stop it. Enough is enough.

I am proud to have passed legislation supporting military families, college students, seniors, crime victims, and homeowners. My proposal to exempt military retirement and survivor benefits from state income tax was adopted in the state budget. I have also passed laws improving public safety, transparency, and protections against property fraud.

I offer years of life experience, having served 35 years as a firefighter and 13 years as a local elected official. My wife is a small business owner, and we raised our family in this region.

I humbly ask for your vote.
